Welcome to Åstorp

As a tourist in Åstorp, you can enjoy our beautiful nature. Why not enjoy the wonder view from Björnekulla klint? We also have beautiful churches and a castle in Tomarp which are well worth a visit. Then, let the kids have fun at Dinoland, where they can see life-size dinosaurs.

Don't miss our two museums, Gyllenbielkeska Hospital and Nyvångs Mining Museum. You can see the old hospital's history and learn more about the mining work in the coal mines. Also, try visiting Spettkaksbageriet, where you can see the traditional Scanian way of making spettekakor (skewer cakes.)
