Pirate Adventure on Garpen

Come along on a wonderful adventure into the world of pirates!

Captain Blackbeard and his crew raided the proud Swedish warship "The Key", but happened to blow up both "The Key" and his own pirate ship. Then, the pirates went ashore on Garpen and buried a treasure. Join in on the treasure hunt and help us

find Captain Blackbeards treasure! The treasure hunt lasts about an hour and a half and includes pirate snacks, scarf and eye patch.
