Welcome to Uppsala

Uppland is a multifaceted and fascinating discovery. Within a few miles, you have everything from the sea cliffs, beautiful country, culture, events, shopping, fishing, rare birds and tame moose. Everything is close, even Arlanda and Stockholm.

Uppsala - The culture and event city.
Uppsala is Sweden's fourth largest city and offers an exciting environment and many

wonderful events to attend. Visit the places where many artists, authors and scholars have been inspired for over hundreds of years. Let your soul fly free in Scandinavia's largest cathedral and for the more daring, our adventure water park is a must. Visit the cultural historic Linnéminnen and gardens. Enjoy a concert in the new concert house in central Uppsala.

Museum

Biotopia - Biological Museum

Biotopia - A biological museum from 1910 which has been renovated and modernized. The museum is a exciting interactive museum where the children can discover and experience nature. Biotopia can

even be your guide through the nature in Uppland.

Gamla Uppsala Museum

Gamla (Historical) Uppsala is one of Scandinavia's most remarkable areas for ancient remains. Visit Gamla Uppsala Museum and take part in the myths which have been told over the centuries. The main exhibition displays the discoveries from three majestic royal mounds known as The King's Hills and tells about the ancient kings, Viking sacrifices, pagan gods and the bellicose Iron Age. Go on a journey over the sea of time, back 1,500 years to the pagan monarchy, via the Viking Age's religious times of unrest to the building of the cathedral during the 1100's.

Worth Seeing

Gamla Uppsala

Gamla Uppsala is one of Scandinavia's most remarkable ancient areas. You will find the three royal mounds from the 500's, one of Scandinavia's largest ancient burial grounds and the remains from the cathedral built during the 1100's. The place has a rich mythical history.

In the Trasure chamber there is a textile collection of world-class. Photo: Shutterstock

In the Old Uppsala are many ancient monuments. Photo: Shutterstock

Grönsö Palace

The palace is one of the countries few organic and inhabited cultural environments with a cohesive inventory of furniture and art objects. The park has one of Sweden's most unique park histories. The palace was built 1611 by National Councilman Johan Skytte. Exhibitions are shown in the palace.

www.gronsoo.se

Linnés Hammarby (Estate)

The Hammarby Estate was bought by Carl Linnaeus in 1758. where he could spend the summer with his family. Today, Hammarby is one of Sweden's best preserved 1700 gardens with household utensils, clothing and art from Linnés own home.

www.hammarby.uu.se

Söderfors Ironworks

Constructed in 1676 by C. Depken. In 1748, the ironworks was bought by Claes Grill, who gave Söderfors its present appearance. For more than 200 years, anchors and bar iron were made here. Today's products are high-speed and Damascus steel.
